Pelican Lake Youth Will Preside Over Southwide Baptist Student Meeting

Signal honor was paid Dick Atkins, son of Mr. and Mrs. J. S. Atkins of Pelican Lake, this week when he was chosen to preside next Monday at the opening session of Southwide Baptist Student Week to be held at Ridgecrest, N. C.

Young Atkins is a senior at the University of Florida and also President of the Florida Baptist Student Union. The Student Union is made up of all Baptist students attending college in Florida and the membership runs into the thousands.

The young man thusly honored is a graduate of Pahokee high school and through the years has been an active member of the Canal Point Baptist Church. His pastor, Rev. Joe G. Clements, who will be vacationing in North Carolina next week will be on hand to hear Dick when he takes up the gavel Monday night at the Southwide meeting.

Band Banquet Is Grand Success

The Community Hall at Canal Point was the scene Friday night of the annual banquet given to members of the Pahokee High School Band by the Band Parents Association, with mothers of Senior members of the band acting as hostesses.

The hall was beautifully decorated for the occasion under the direction of Mrs. Jess M. Elliott who used hibiscus blossoms of varied hues in the floral arrangements at the tables and a profusion of musical notes accented the decorative motif. Paper hats topped with musical notes were used instead of place cards and each member of the band was presented with a plastic horn as a favor.

Spotlighted on a wall were pasteboard replicas, outlined in metallic glitter of the musical instruments played by the Senior members which the band is losing through graduation. These included the five clarinets of Rose Marie Henderson, Judy Starling, Carolyn Hickerson, Joyce Lindsay and Bobby Howell; the baritone horn of Melba Pugh, the French horn to Joyce Lynn Hurt, the sousaphone of Jimmy Schoepel, the cornet of John Williams, the glockenspiel of Phoebe Anne Ramey and the snare drums of Chuck Elliott and Jerry Rutherford. Following the banquet these replicas were presented to the Senior members as souvenirs.

The program was presented by the Senior band members with Phoebe Ann Ramey in charge of arrangements and acting as master of ceremonies. In tribute to Bandmaster Robert O. Lampi a brief history of his life was presented by Chuck Elliott. A skit, "The First Cornet Lesson," depicting the trials of a bandmaster in recruiting new members of the band, was presented by Bobby Howell, Melba Pugh, Joyce Lynn Hurt, Jimmy Schoepel and Carolyn Hickerson. Joyce Lindsay, accompanied

Tell The Chief If You're Going Away

Pahokee Police Chief Leon Guthrie said yesterday that folks going on vacation should notify his office in order that they "can keep an eye" on the home while the owner is away. "It is a service our department renders and we are only too glad to do this if they will but notify us when they leave," the chief said.

Senior Sermon Is Set For Sunday Eve

The Rev. Wendell M. Hainlin, vicar of the Episcopal Church of the Holy Nativity will deliver the spiritual message to the Pahokee High School Class of 1955 at the baccalaureate services in the high school auditorium Sunday, June 5, at 7:15 p. m.

The Pahokee High School Glee Club under the direction of Miss Margaret Powell will sing three numbers, "America, Our Heritage," "The Lord Bless You and Keep You" and "Sevenfold Amen." While away from Canal Point the pastor will attend the Home Mission forums of the Baptist Assembly at Ridgecrest.

During the absence of the pastor from the local church the pulpit will be filled by Grantland Fuller of West Palm Beach who is a student at Southwestern Seminary. Mr. Fuller preached here before when the regular pastor was on vacation and won high praise from the local congregation.

Inman W. Weeks spent the weekend in North Florida visiting relatives at Lulu and Lake Butler, Fla. He was accompanied home by Mrs. Weeks who had been visiting her mother, Mrs. Mole, at Lulu.

Streamlined Dianne Williams, 18-year-old brunette beauty of Gainesville, Fla., now attending the University of Miami, will be a participant in the week-long Florida Beauty and Talent Pageant at Miami Beach, June 20-25.

Regular Officers For C. Pt. Chamber Will Be Elected

Paid-up members of the Canal Point Chamber of Commerce will meet next Tuesday night to elect regular officers. The meeting is scheduled for 7:30 o'clock in the Community Hall. Temporary Secretary Boyd Vorhees said yesterday that dues payments are coming in steadily and that the hoped-for 20 paid-up members will, in all probability, be on hand Tuesday night for the election.

Following the election of permanent officers Tuesday night it is probable that the newly elected president will appoint committees to start work on the year's plans. It is thought that only a small number of committees will be named during the first few months of the chamber's operation.

Vegetable Deal Is Nearing The End

Another vegetable deal in the Everglades farming section of Palm Beach county is fast coming to a close. Only a couple of packing houses—Pioneer and South Bay Growers—remain open and they are handling corn and celery. They will probably continue operation through this month. The bean deal is over.

Mrs. Janet Johnson, public nurse from the Palm Beach County Health Department, addressed the parents from 10 to 11 a. m. regarding the County health program for school children. She urged parents to have their children examined for physical defects between now and the start of school in September in order that steps may be taken to have such defects corrected before the child enrolls in the first grade.

Mrs. Elmer Maxson, leader of the J-O-Y group of children at the Canal Point Methodist Church, has disbanded the group for the summer months.

Won't Have To File Your Homesteads Every Year Now

A law passed in the 1955 session of the state legislature will make it unnecessary for home owners to file homestead exemption claims every year. The new law, strictly a local measure affecting Palm Beach and Broward counties, has cleared both houses of the legislature and will become law just as soon as the governor signs it.

The measure, championed by Palm Beach and Broward County Tax Assessors James M. Owens, Jr., and L. O. Hansen, respectively and steered to passage by Reps. Fred O. Dickinson Jr., and Emmett Roberts is a local bill which was introduced after the House and Senate killed a similar measure that would have affected the entire state.

Owens said, that this will eliminate the necessity of his office taking applications each year from 70 to 75 per cent of the 28,288 persons who claims the exemption.

Cinematic Chatter

By Malcolm Miller

Hello everybody! Frank Sinatra, who won an Academy Award for his "Pvt. Angelo Maggio" in "From Here to Eternity," proves this was no one shot phenomenon. The rise of Frank Sinatra in show business has been a history-making episode that will be remembered for generations to come. His has been the success story that outdoes fiction. In 1938 at 21, he was earning \$15 a week as a singing waiter, and five years later was making \$25,000 a week, idol of the nation's bobbysoxers. Frank Sinatra was born December 12, 1917, in Hoboken, New Jersey, the only child of Anthony and Natalie Sinatra. Frank attended Damarest High School where he won trophies for swimming, basketball, boxing and golf. Upon graduation he went to work as a copy boy and soon became a sports reporter. On Major Bowes' amateur hour with the quartette Frank won first prize with the rendition of "Night and Day." He started in radio, singing on 18 sustaining programs in Jersey City, Newark and New York and then took a job, which he considered more stable, as singing M. C. and headwaiter at the Rustic Cabin for \$25 a week. Soon Sinatra was attracting a lot of attention to the younger set and by the time he struck out on his own in October, 1942, he was very much in demand, taking over his own radio show on CBS "Songs by Sinatra," and then as a featured singer on "Your Hit Parade" in 1943. By now Frank was the hottest act in show business. He was booked into the New York Paramount theatre at \$7,500 a week and there wasn't a daily paper in the country that wasn't printing a lot of copy each week on "The Voice." The rest you know. See you at the movies—Mal.

Free Gas For Boy Scout Equipment

Three Pahokee oil distributors, John E. Wilson of the Pure Oil Company, J. V. Thomas of the Gulf Oil Corporation and L. L. Shirley of the Texaco Company are cooperating in a plan to provide Pahokee Boy Scouts with ample quantities of gas and oil for their newly acquired bus and future field and camping trips. Each of the distributors has agreed to furnish free gas, oil and servicing for the Scout bus through a four-month period of the year, according to Louis Mims, scoutmaster of Pahokee Boy Scout Troop 28, who gave high praise to the three men for this public service.

At Canal Point Manning I. Keen, Standard Oil distributor, has been furnishing free gas and oil to the bus owned by Capt. Paul J. Boy Scout Troop 24 over since the troop acquired its bus approximately two years ago.

Mr. and Mrs. Frank Friend had as guests the past week her brother and sister-in-law, Mr. and Mrs. W. A. Parsons of Knoxville, Tenn., and Mrs. Charles Gerter of San Francisco, Calif.

Light Fund Light As Deadline Nears

Approximately \$200 has been collected to date for the Canal Point street lights fund, according to a report by Osceola Upthegrove, funds chairman, at the dinner meeting of the Canal Point Lions Club Monday night. Garbage Collection Studied By Board

County officials this week are studying garbage and trash collection methods in preparation for issuing garbage collection franchises to serve residents who live outside of municipalities.

The commission has been granted legislative authority to set up franchises and said this week that the boards prime interest is to see that garbage and trash is properly collected, properly hauled and properly disposed of.

an even better bargain!*

Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 . . . a \$37.50 Bond will be worth \$67.34 . . . and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25c a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 . . . in 9 years and 8 months, you'll have \$2,850.70 . . . and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid
your interest as current income—
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. **Make your dream house come true! It's easy
—through Payroll Savings!**

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a house or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as much as you want. After that, you're saving automatically—nothing to worry about, nothing to do. And, best of all, the money saved out of your pay each week is automatically invested for you in U. S. Series E Savings Bonds.

Because Savings Bonds earn solid interest—3% cumulative semiannually when held to maturity

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$12.50 a week, in just five years you'll have \$3,348.95 cash. In 9 years, 8 months, you'll have \$7,217.20!

So don't let down payments get you down. Meet your needs for ready cash the way more than 8 million other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly where you bank. Start now to make your dreams come true!

* * *

If you want your interest as current income, ask your bank about Series H Bonds, which pay interest semiannually by Treasury check.

Choose your own savings goal

Don't argue with this baby!

All Chevrolet's competitors and most of the high-priced cars tried it recently in official NASCAR* trials—and took a licking!

Met the champ! The new Chevrolet "Turbo-Fire V8"—the most modern V8 on the road today. Here's what happened—

Daytona Beach. NASCAR Acceleration Tests Over Measured Mile From Standing Start. Chevrolet captured the 4 top positions in its class! 8 of the first 11! And on a time basis Chevrolet beat every high-priced car, too—but one! But wait!—this is just the beginning!

Daytona Beach. NASCAR Straightaway Running. Open to cars delivered in Florida for \$2,500 or less. Chevrolet captured the first two places, 7 out of the first 11 places!

Daytona Beach. NASCAR 2-Way Straightaway Running Over Measured Mile. Open to cars from 250 to 299 cu. in. displacement. Chevrolet captured 3 of the first 5 places!

Columbia, S. C. NASCAR 100-Mile Race on half-mile track. Very tight turns. Chevrolet finished first!

Fayetteville, N. C. NASCAR Late Model Event. Chevrolet again finished first. Because of even tighter turns the driver chose to run the entire 150 laps in second gear! Yet no overheating or pit stops!

These facts you can't laugh off. Sales leader. Road leader. A crowning achievement of Chevrolet and General Motors. Try a Chevrolet... and live in a land of going-away where you win all the arguments! Soon, maybe?
